## Work on city hall plans continues

► City Manager expects plans from the architects later this month

by Caleb Casey  
Staff Writer

Architects from Sundberg and Carlson, the firm hired by the City of Grayling to design the new city hall, are expected to present a building floor plan and cost estimate for the project to the city council later this month, City Manager Allen Lowe said.

Lowe expects the architects to present the proposed plans and cost figures to the city council at the council's September 25 meeting. The council could approve or request revisions to the plans at that point. Foundation construction could possibly begin this year, Lowe said. "That's what I'd like to see," he said. "If not, we'll break ground in April."

Lowe is currently working with federal government and Department of Agriculture on behalf of the city to secure a low-interest loan for construction of the new city hall.

The city council approved the site for the new hall, located near the Grayling Fire Department and the old city hall on James Street, on

## Armed robbery lands downstate man in jail

► Suspect caught in Rochette's hold-up case

by Cheryll Ruley  
Staff Writer

A combination of quick response time, police training, highly observant eyewitnesses, and cooperation between law enforcement agencies led to the speedy arrest of an armed robbery suspect.

According to the Grayling City Police, Rochette's IGA Market was robbed of approximately \$500 around 7:45 p.m. on Tuesday, August 29. Responding to a 911 call from the market was Grayling Police Department Evidence Technician Robert Butzin who secured the crime scene and called for assistance from Police Chief Karl Schreiner and Detective Dennis Long.

While Butzin gathered evidence, Long took over the process of interviewing witnesses, including store workers as well as customers in the store at the time of the robbery. Witnesses told Long that a couple, acting "strangely" came into the store and, while one of the cashiers was distracted by the woman, another cashier was presented with a robbery note by the man. The note indicated he had a weapon and demanded money. The man took the money from the cashier and fled the store

on foot.

Just prior to the robbery, an eight-year old child who had entered the store with the couple, left the building. The 26-year old Warren woman, whose name was withheld by police, was later identified as the child's mother.

After eyewitnesses gave Long detailed descriptions of the couple, Grayling Police issued a statewide BOL or "be on the lookout." Right around 9:30 p.m., Michigan State Troopers stopped a Chevrolet S-10 pick-up for speeding on southbound I-75. The truck was traveling at 81 m.p.h. in a 70 m.p.h. zone.

Troopers checked the man's driver's license and found it had expired and also reported he was acting strangely. Having heard the earlier BOL, troopers noticed similarities between the descriptions of the robbery suspects and the characteristics of the couple in the pick-up. Grayling Police were notified, sending Butzin and Long to West Branch.

The suspects' truck was found by Butzin to contain the money believed to have been taken from Rochette's, along with trace evidence linking them to the crime scene. Long was able to get statements from the vehicle's occu-

Arrested was 25-year old Justin Michael Boss of Fraser. Boss was arraigned on armed robbery charges in 83rd District Court on August 30. Bail was set at \$100,000, which Boss was unable

## Bounty placed on propane tanks nets over 300 locally

► Grant helps with collection of old, potentially unsafe propane tanks

by Danielle McGillis  
Staff Writer

Under a \$79,000 grant from the National PERC Council and the Michigan Cylinder Recovery, LLC, a voucher program has been established to allow consumers to redeem out-of-date and potentially unsafe 100-pound capacity propane tanks in Michigan for a \$3 prize. Every person who returns a tank will receive \$3 per tank up to \$15.

According to Beaver Creek Fire Department Fire Chief Ed Holtcamp, over 300 cylinders in this area have been picked up. "There are still a lot (of tanks) that haven't been picked up. We have calls coming in on a regular basis, and we seem to be getting two times more from the west side of the county than the east," Holtcamp said.

Holtcamp also stated he doesn't believe even half of the cylinders have been picked up and said he hopes to keep getting calls.

In confirmation with the state, an estimated 5,000 tanks are missing from their inventory. These tanks are potentially dangerous, as many have outlived their 12-year safety life and could explode.

A majority of these outdated tanks are believed to be in northern Michigan and the Upper Peninsula.

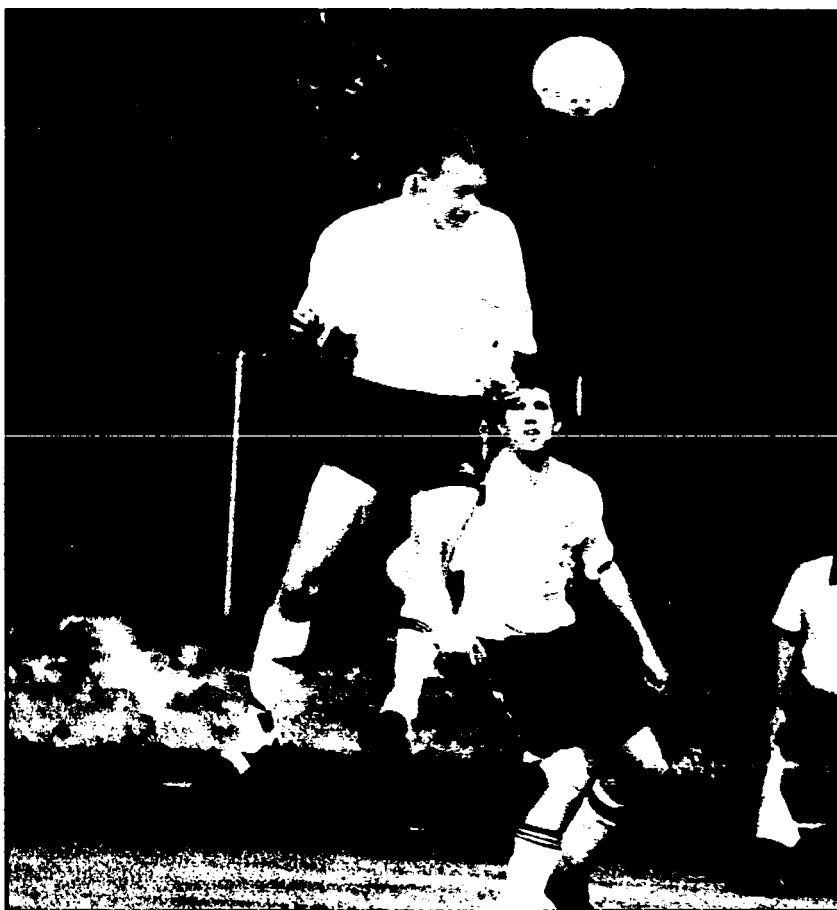

Holtcamp stated a lot of these cylinders just lay out around people's homes and serve only as fuel for ground and structure fires. He said some tanks that have been picked up thus far were 20-30 years old.

Anyone having knowledge or possession of one or more of these 100-pound cylinder propane tanks, can call Beaver Creek Fire Department at (517) 275-8548 and arrangements will be made for a propane distributor to pick them up.

Also, any questions regarding the safety of a tank may be directed to any local fire department. Personnel will visit the site where the tank is located and make a determination of tank safety.

## Independent files candidacy for constable

► Race for Frederic Constable to be decided in November

by Cheryll Ruley  
Staff Writer

Independent candidate for the office of Frederic Township Constable, Aaron Blaine, has qualified to have his name on the November 7 General Election ballot.

The 31-year old volunteer fire fighter said he would like to serve his community as Constable because he is good friends with longtime Frederic Constable Chuck Stoddard. "He has been an idol for me," Blaine said.

With five years under his belt on the Frederic Township Fire Department, Blaine said he has formed a good relationship with local kids. "I have found if you treat the kids in Frederic with respect, they treat you with respect," said Blaine, who has four children of his own. "The kids will really open up to you if you give

## River group awards one of dedication

The "Manistee - Spirit of the Woods Award" was presented to James E. Powers at the Fall Membership Meeting of the Upper Manistee River Association (UMRA). The presentation was made by David Weissenborn, Secretary of UMRA.

Powers was selected by the UMRA Board of Directors because he has contributed immeasurably for many years to the Upper Manistee River Association. During that time, he has developed and maintained influential contacts and correspondence with state and local conservation officials, political entities, and commercial interests, to inform and educate about the needs and concerns of the Upper Manistee River and UMRA. Powers has been a member of UMRA since 1972, a board member since 1973 and has served many terms as President — the position he currently holds. He is also President of the Mason Chapter of Trout Unlimited.

Powers received his DDS degree from the University of Michigan and practiced dentistry in Lapeer for 34 years until his retirement. He began visiting the Manistee area some 30 years ago.

An accomplished watercolor artist and avid fly fisherman, Powers is also a dedicated family man. He and his wife, Teri, have four children and make their home on the Manistee. Powers originally leased the land 27 years ago, later acquiring it and building their home there in 1992.

UMRA established the Manistee - Spirit of the Woods Award in 1997 to be given when an individual makes extraordinary contributions

to enhance the environment of the Upper Manistee watershed. This is the second time the award has been made. "Spirit of the Woods" is a translation from Native American Indian word "Manistee."

The award consists of a beautiful bronze casting of a sculpture by noted wildlife artist Rod Lawrence

and is based on Lawrence's painting which won the 1981 Michigan Trout Stamp competition.

The Upper Manistee River Association is an organization of over 300 families who are dedicated to the maintenance and improvement of the Upper Manistee River and its watershed so that it may best

achieve its maximum potential for recreational uses.

General membership meetings are currently held on the Saturdays before Memorial Day and Labor Day. Membership information can be obtained by writing: UMRA, P.O. Box 282, Grayling, MI 49738; or by calling (517) 348-4730.

## Work on city hall plans continues

Continued from Page 1A  
July 31, allowing the planning process to move forward.

The new building will have two floors: a ground floor and an "unfinished basement." The ground floor will house the city offices, and the basement will be left fairly undeveloped unless needed at a later date. Lowe said.

City employees have worked with the Sundberg and Carlson architects to come up with a basic square

footage figure for the new city hall: 3,500 to 4,000 square feet. The figure is based only on space the city's office staff is expected to require, and does not include room for the city police.

At the suggestion of Grayling Police Chief Karl Schreiner, the city plans to house the city police at the building that currently serves as the Crawford County Library. With the passage of the millage for a new library, the building will be vacant

when the new library is constructed next year.

Lowe said that some "mostly minor changes" will have to be made to the library building in order to accommodate the police, such as insulation work, ingress/egress reconfiguration, and "doing something to be sure the basement doesn't flood."

He noted that the building's roof and furnace are both in good condition.

them a chance."

Frederic Township, in particular the Betty Sadjak Memorial Township Park, has experienced bouts of vandalism over the last few months. Establishing a trusting relationship between township officials, law enforcement and local

youths has become a goal for many in the community.

Blaine said he has no formal training in law enforcement, but comes from a family where his grandfather served as a corrections officer for many years at Camp Lehman. He also has two cousins in law enforcement.

Candidates without party affiliation had until July 20 to file affidavits of identification and signed petitions with the Crawford County Clerk's office in order to have their

names appear on the November ballot.

Blaine's candidacy came to the attention of the *Avalanche* when Republican candidate for Frederic Constable, Mike Girard, mentioned he had been mistakenly identified as "constable-elect" in an article published last month. Girard said he wanted to be honest and make sure the voters understood he makes no claims that he is the only candidate in the race. The *Avalanche* regrets the oversight.

## Veteran cemetery bill drafted

Continued from Page 1A  
tem.

The legislation is expected to be introduced when the House returns to session this month.

In an article appearing in last week's *Avalanche*, the proposed cemetery was referred to as a national cemetery. A national veter-

ans cemetery already exists near Battle Creek.

The proposed cemetery would be classified as Michigan's first "state cemetery," although most funding would most likely come from federal sources.

We regret any confusion caused by this reference.

### Correction

In the August 31 edition of the *Crawford County Avalanche*, on Page 2A, under the headline "Russian sailors memorialized by local veterans," the organization holding the ceremony, American Legion Post #106, was misidentified as the Veterans of Foreign Wars. We regret the error.

We gotcha covered.

# Film legend Mickey Rooney to perform in Grayling

► Rooney's 'Two for the Show' act to be held at Joseph Stripe Auditorium

Hollywood film legend Mickey Rooney and his wife Jan Chamberlin Rooney are bringing their musical variety performance entitled "Two for the Show" to Grayling on September 19 and 20 as part of the Crawford AuSable Community Education Program's award-winning Cultural Events Program.

Rooney and his wife Jan, accompanied by a live band, will perform in person at Grayling High School's Joseph Stripe Auditorium on September 19 and 20, starting at 8 p.m. each night. Tickets are \$15.

"Two for the Show" is a "musical variety show that has a little bit of everything," said Cultural Events Coordinator R.J. Hannan. Specifically, the performance will include film clips from Rooney's movie career, which spans over 70 years and includes over 200 films, and musical numbers. Rooney, also an accomplished musician, can play

just about any musical instrument in an orchestra.

His film career includes such classics as "Boys Town," the "Andy Hardy" films, "National Velvet," "Midsummer Night's Dream," "Breakfast at Tiffany's," "It's a Mad, Mad, Mad, Mad World," and more recently, "The Black Stallion." He has been nominated for several academy awards over the course of his career, and he received an honorary Oscar in 1983, an award reserved for honoring the motion picture industry's highest-level film stars.

Rooney has also performed on stage, Broadway, and television.

Rooney's wife of 20-plus years, and "Two for the Show" partner, Jan Chamberlin, is also a multi-talented performer. She sings, writes songs, acts, and is an abstract artist.

The Rooneys will bring their "Two for the Show" act to Grayling on September 19 and 20 for two performances.

"Here's a unique opportunity for Grayling area residents to meet and see in person one of the more accomplished people to come out of Hollywood," said Hannan.

Tickets are available at the

Mickey Rooney

Crawford AuSable School District office, located on Michigan Avenue. To order tickets for either "Two for

the Show" performance, contact the Crawford AuSable Community Education office at (517) 344-3535.

to post and he remains in the Crawford County Jail.

Long said Boss and the woman are not married, but believes the couple and the child had been "living in the woods" prior to the robbery. Boss is not the child's father. The woman, who Long said was very cooperative with police, remains the subject of the ongoing investigation. A weapon has not been recovered.

Chief Schreiner remarked part of the reason why the crime was solved so quickly is because the Grayling City Police Department has "two very highly-trained Evidence Techs." He said Officer Butzin responded quickly and used his training knowledge to secure the scene which "made a world of difference."

Detective Long was also praised for his interviewing and investigative abilities that allowed Butzin to concentrate on gathering the necessary evidence resulting in Boss' arrest. "We try to maintain a highly qualified department and do a lot of things in-house to maintain efficiency in investigations. I am really proud of Butzin and Long," Schreiner said. "They did a great job."

Praise was also given to the witnesses who remained calm and provided vital information. "They did a pretty doggone good job even though they were frightened by their experience," Schreiner commented.

"Overall, credit goes to the cooperation between 911 Dispatch, the Grayling Police Department, Michigan State Police and the Ogemaw Sheriff's Department," he

said. "That kind of cooperation worked smoothly this time."

Rochette's owner Gary Calkins said he and his wife were in the back of the store when they heard a commotion and went up front to find their 14-year old son, Jeff, serving as a momentary cashier, was the victim of an armed robbery. "We are really proud of him. He and the other cashier handled the situation like professionals."

Calkins said his son likes to greet people coming in the store and sometimes helps "ring up" customer orders. He said Jeff is quite attentive and that is probably why he was able to give accurate details. The store owner also gave praise to the customers who helped with the investigation. "I can't say enough for the people in this community. Those who had to leave the store

while the investigation was on, came back later to voice their concern and see how we were doing."

In 31 years of working in the retail grocery business, Calkins said he had never experienced a robbery. "It was an unfortunate situation, but it worked out unbelievably. I'm glad he (Boss) didn't get away with it and is off the street."

Calkins said the Grayling Police were very professional and can't say enough about how everyone worked so hard in the investigation. "Everything just clicked. One person couldn't have done this alone," he said, then added, "Thank God for 911."

## Literacy Council numbers on the rise

by Danielle McGillis  
Staff Writer

The Literacy Council's program in Grayling is helping more and more residents each year. There are three different categories that have been established to serve the public and essentially support a more educated community.

Gary Barrow and Paul Brunell head up the program which consists of an Adult Basic Education Council, Adult Learning Center, for people over the age of 20, and an Alternative Education Center which is geared towards those persons under the age of 20.

As those who are seeking basic education complete their studies they can then move into the Adult Learning Center to work towards their GED. Also, this year is the first

that evening GED classes are available. Thereafter, scholarships are available to those graduates who choose to move onto Kirtland Community College. The college provides a \$500 incentive toward tuition, and the Literacy Council provides a memorial scholarship.

Early registration is closed as of Friday, September 1, however, late registration continues this week. Currently there are 22 people enrolled in a combination of the programs. Brunell stated, "This is the first year that I can recall having this many (people) at early registration in many years."

Barrow said the Literacy Council relies heavily on tutors to help educate attendees. There are currently eight tutors and the Council is in need of more. "We do send our

tutors to conventions and training programs," Brunell said. "Some tutors are even graduates of our program," added Barrow.

The Literacy Council is funded through a combination of federal grants and corporate sponsors, therefore, there is no fee to attend their educational sessions. The Literacy Council can be reached at 344-3525, and the facility is located in St. Mary's Church, at 702 Peninsular Ave. Hours of operation are Monday-Thursday, 8 a.m.-3 p.m.

# A lasting marriage requires special care

SEVENTY FIVE years is a long time, but that's how long Edna and Ammi Pierce have been married to each other.

In September, Ammi Pierce will be 100. His wife, Edna, is only 93. They were married in 1925, right after Edna finished high school. They live in Cedar Lake, a small town in Montcalm County. That's where they both completed school at Cedar Lake Academy. They've lived in various parts of Michigan, and have been back home in Cedar Lake for a number of years, where most of their children, grandchildren, great grandchildren and great great grandchildren live.

In these days of almost instant divorce, which sometimes seems almost pre-planned from the day of marriage, how does a couple stay

married for 75 years? What are the secrets of such marriage longevity?

Mt. Pleasant Sun Reporter Andrea Dykstra, in a recent article about the Pierces, explored some of their ideas. The story also was distributed statewide by Associated Press.

**AMMI LIKES TO** garden and Edna likes to crochet. And they play dominoes every night, Edna says.

Ammi says his wife is a great cook, and she says he washes the dishes every night. "I never pass by her without kissing her or telling her that I love her," said Ammi. "And isn't she lovely?"

Edna said: "He tells me that so much now I just say I know." They also share the same faith, and they

say that's important, too. They belong to the Seventh Day Adventist church.

They don't prize material things either. "We never bought anniversary or Christmas gifts for each other," Edna said, "but we never felt neglected. The kids always had something." And then probably the most significant secret of all for lasting love: "We do things together." Edna explained, "and give in to each other's ideas."

The Pierces seem to have found the formula for a successful marriage. It has worked for them and probably would work for most of us too.

But personally, I'm a bit leery about washing dishes every night....and all those dominoes? Well.....

**HERO OR CHUMP?**--Is our world turning upside down, or does it just seem that way? A case in point:

According to an Associated Press news report, in Martinsburg, W. Va., Antonio Feliciano was working at a 7-Eleven when a robber entered the store, pointed a sawed-off rifle and demanded money. Instead of turning over the cash, Mr. Feliciano grabbed the gun and wrestled it away from the would-be robber.

Did 7-Eleven hail its faithful employee as a hero? No way. Antonio Feliciano was fired for breaking the company rule which requires employees to hand over the cash without resistance. "No asset in a 7-Eleven store is worth

defending with an employee's life," said store officials. Said Mr. Feliciano: "I just wanted to be sure that I was coming home that night."

The store's rule makes sense, and Antonio Feliciano probably should not have done what he did, although his expansion indicated he figured he had a better chance to escape personal harm doing it his way than the store's way. Who's to judge what was right under those particular circumstances?

Either way, firing a dedicated employee like Antonio Feliciano was not the right thing for the store to do, rule or no rule.

**ERNIE'S ASKING**--Ernie Harwell is justly famed as a baseball announcer, who's been telling

Michigan fans about the Detroit Tigers for many years.

He also produces a newspaper column, mostly about baseball matters. In a recent offering printed in the Detroit Free Press, Ernie strayed a bit from baseball for some personal observations, and posed these unanswerable questions:

Can fat people go skinny dipping? Why do kamikaze pilots wear helmets?

What was the best thing before sliced bread?

Why don't we ever hear about grunted employees?

If corn oil comes from corn, where does baby oil come from?

# EDITOR

## Resident feels held captive by Ohio Guard

To the editor,  
I am writing this in reply to the great "public relations article" which appeared in the August 17 issue of the *Avalanche* entitled, "Ohio Guard wraps up annual training."

I resent the paternalistic tone that puts a major stress upon the monetary importance the Ohio Guard brings to the area. Do they think that the locals should welcome them with open arms and completely ignore the noise pollution they create?

They indicate how stressful it is for the troops to conduct 24-hour operations in the field, firing live ammunition from tanks and Howitzers. Do they think about the stress on the local civilians who have to put up with the constant banging of their large caliber guns, one after another, hour upon hour?

The Ohio Guard may create some wealth for the area, as all of the other units do that use the facilities. However, it is not the Guard that

makes the north go and creates the major wealth for the Grayling area, rather, it is primarily the retirees who make it go. They bring money with them, buy land, build homes, pay taxes and they spend money in the local business places. They have made the north a better place to live.

The military does not create anything, rather they are in the business of destruction. It is the people who create. The activity of the Guard is a compromise tolerated, but not easily accepted.

Sometimes I get the feeling we are being held captive by the Guard, however, if all the retirees should decide to pull up stakes and leave the area--leave it to the Guard--then Grayling would once again become a land of poverty. The *Avalanche* has been reluctant to print negative articles about the Guard. However, I notice you don't hesitate to print the positive ones.

## Petition created to influence changes to new fishing regs

To the editor,

On January 26, and February 9, 2000, I wrote to you regarding the new fishing regulations for the Manistee River and how it would affect the children who love to fish on the river. Subsequently, the following petition has been circulated in the Grayling area and it has received overwhelming positive support from the "locals" in Grayling and from the "down-staters."

### "PETITION"

To: Dr. Kelly D. Smith, Chief, Fisheries Division, Michigan Department of Natural Resources (DNR), Mason Building, 4th Floor, P.O. Box 30446, Lansing, Michigan, 48909.

From: Fishermen and Interested Citizens

Regarding: Changes to the classification of Type VI (flies only) for the Manistee River that was effective April 1, 2000, for the area from M-72 to the CCC Bridge.

In view of the impact that the

above change has on our youth who enjoy fishing, the undersigned hereby request that children up to and including the age of 15, have the privilege to fish for brook trout and brown trout in the above section of the Manistee River, using as bait, worms, crawlers and spinners during the traditional trout season. Further, for the children, the minimum size will be eight inches for the brook trout, ten inches for brown trout, and the daily bag limit will be two fish. Further, we request that this change will be made effective for the year 2001 and subsequent years."

If you support this petition, please copy it, write to me for a copy of the petition, or contact Betty Bennett, Grayling, at 344-3204. Thereafter, send the signed petition to Dr. Smith. Together, we can make a change to the new fishing regulation.

## County residents deserve response

To the editor,

The residents of Crawford County deserve a written response from Mr. Huss and from Sheriff Lovely to the letter by Mr. Brian Anderson, appearing in the August 24 *Avalanche*, concerning the issuance (or non-issuance), of concealed weapons permits.

The cavalier attitude of elected public officials toward this matter, as described by Mr. Anderson, is unacceptable.

Perhaps it is indeed "time for a change" next November 7.

## VIEWPOINT

by Crawford County Sheriff Dave Lovely

## Sheriff discusses department outlook

This viewpoint is dedicated to informing you of the highest profile issues recently brought to your attention as a result of the 2000 election process.

One issue, repeatedly discussed throughout the past election process, was the 24-hour patrol coverage issue. You have read that some people did not like the straightforward facts presented by County Treasurer Joseph Wakeley. The one thing we all learned was that non-mandated services, i.e. 24-hour road patrol, can be cut by the Board of Commissioners to balance budgets and this is what happened when we lost the 24-hour patrol.

We currently have patrol coverage from 7 a.m. to midnight. Staffing on these shifts could be one person or three persons, depending upon vacation, sick, funeral, personal or court coverage time, along with the union contract requirement of two officers on duty after the hours of darkness provision. Coverage of these shifts, for lost time, is usually at an overtime rate.

If one were to monitor police radio communications, one would think there were more officers on duty than necessary, during certain shifts. The explanation for this is as follows:

1) During the summer and winter seasons, we have marine, snowmobile and off-road vehicle (O.R.V.) officers, under grant contracts, on patrol for your added protection and safety. These are seasonal employees, employed only for those duties, and only used for back up in emergencies.

2) Seven personnel are dedicated to serve in specialized grant positions: Two (2) Deputies are dedicated to traffic patrol, on county secondary roads. One (1) Deputy on juvenile violence prevention and one (1) Deputy on juvenile liaison with the court and school systems. One (1) Deputy assigned to a multi-county drug task force. One (1) Deputy performing DARE training year round. One (1) Deputy working community policing for Grayling Township.

All the above mentioned Deputies are funded as a result of grants I

have attained. These Deputies can only be used for their specific functions and duties, and in the case of an emergency.

The recent passing of the surcharge for 911 operation will help ease the burden on the road patrol personnel currently being used for court officers, inmate transport, animal control officer (A.C.O.) calls along with filling in for correction activities.

The Board of Commissioners is nearing completion of the 2000-2001 county budgets. The outcome of the budgets will reflect to what the Sheriff's Office can do in expanding patrol up to 24 hours, status quo or cutting of current manning.

In the past, the Sheriff's Office when running 24-hour patrol, had 12 Deputies to perform those shifts. We currently have eight road officers and one is assigned as the detective, excluding the grant personnel. With the future addition of the court officer and corrections officer, as mandated by the Michigan Department of Corrections, and with an optimistic outcome of the budget, we may be able to hire part time employees to assist our full time contingent and get back to 24-hour coverage. More information on this will come as the budgeting process comes to a close. As I promised, I will be more available to you in the future. I am scheduled to attend each township meeting on a rotating basis and will publish those dates as they arrive. If you can not meet with me on one of those dates, or need to contact me, as always I can be reached at the Sheriff's Office at 344-3205 or 344-3214.

In the near future, a very informative web site will be completed and advertised for your information and use. The web site will incorporate an e-mail system, which will be checked daily for your convenience.

I hope these moves will be positive and informative for you and give a better explanation of these issues. I look forward to your input and support in the future. As always, it is a pleasure to serve you.

Sheriff Dave Lovely

## Sexual Evil

Barbara and Robert Curley are suing the North American Man Boy Love Association following the brutal murder of their 10 year-old son, Jeffrey. The convicted pedophile, Charles Jaynes and Salvatore Sicari, abducted and murdered Jeffrey after Jaynes summoned up the "last bit of courage" by logging onto a Website for pedophiles at the Boston Public Library.

The Curley family lawyer, Lawrence Frisoli charged, "What they're (the NAMBLA) doing is clearly attempting to incite people to rape young children. By its own admission, NAMBLA "speaks out against societal repression and celebrates the joys of men and boys in love." The Curley's lawsuit says NAMBLA "encourages its members to rape male children," and it accuses NAMBLA of serving "as a conduit for an underground network of pedophiles in the United States." A class action suit may follow.

On the west coast, Glenn Jordan was recently arrested and charged with sexual abuse of Boy Scouts over the past three years. Prosecutor Sophia Roach said the allegations involve seven boys who were Scouts and worked as staff members at the Mataguay Scout Reservation located about 50 miles east of San Diego. Jordan had held a full time administrative position in the Boy

Scouts for several years. Although his references had been carefully screened, and there had been no prior allegations against him, investigations by the Sheriff's department have exposed the horrors. It started when one Scout came forward, then after the arrest of Jordan, several other scouts came forward. Those Jordan is accused of molesting range in age from 14 to 18, said M'iss Hinshaw of the sheriff's child-abuse unit. Hinshaw said Jordan is charged with a variety of crimes, ranging from performing sex with a foreign object to sodomy.

Do sodomites need more special rights today to work with youth? Too many sexual abuses already result without giving sodomites special privileges with children. You don't let an egg sucking dog live in a hen house. You don't let foxes freely play with the baby chickens. Yet, when it comes to sexual preference, our society has allowed sodomy to become a sacred cow rather than a wicked danger.

While sodomite laws on the books are being considered archaic and irrelevant, special contradictory rights are being legislated to protect sodomy as a lifestyle. Just as the values of sodomy are being forced upon society today, the shared practice of sodomy will be gradually forced upon society.

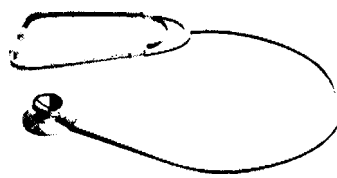

God sent two angels to deliver Lot

and his family before He rained fire and brimstone upon Sodom and Gomorrah. Here is the account: "But before they lay down, the men of the city, even the men of Sodom, compassed the house round, both old and young, all the people from every quarter: 5 And they called unto Lot, and said unto him, Where are the men which came in to thee this night? bring them out unto us, that we may know them. 6 And Lot went out at the door unto them, and shut the door after him, 7 And said, I pray you, brethren, do not so wickedly." (Gen. 19:4-7) Lot never figured this would happen as he pitched his tent toward Sodom, just as you may figure all of this cannot happen in America.

Please pray for God's blessings upon the ministry of this column and our church Websites at: <http://onramp.i2k.com/~cba/> and at [HYPERLINK http://www.i2k.com/~cba/index.html](http://www.i2k.com/~cba/index.html) We at Calvary Baptist Church invite you to learn Bible prophecy. ## Farewell Service planned for Heritage pastor

Heritage Baptist Church will be hosting a Farewell Service and dinner on September 10. The church's former Pastor James Van Liere and his wife, Shirley, are moving to Bear Lake. The church is inviting all those who know the Van Lieres to attend. The dinner will immediately follow the morning service which begins at 11 a.m.

Pastor and Mrs. Van Liere moved to Grayling in September of 1986 to help in the formation of Heritage

Baptist Church. Pastor Van Liere used his former experiences to lead the church to its first building project, completed in November 1989. These facilities can be seen at 1843 Hartwick Pines Road. It was in February 1995 that Pastor Van Liere suffered a heart attack during a morning worship service and his active pastoral ministry came to a close.

### A Clean Slate

It is time to begin a new year of growth. There will be new teachers, plus exciting and challenging learning material. We will forget the mistakes of last year or learn from them and begin again, ready and refreshed.

The instruction of our children will determine the future of our world. Philosophers of old realized the importance of education. We read in Proverbs 4:13... "Take fast hold of instruction; let her not go; keep her; for she is thy life." In this time of more and more expensive toys and designer clothing for children, the greatest gift we can give to our youngsters is to help them become excited about education.

May we also provide our children with an opportunity for their spiritual education; the mind, the body, and the spirit must flow in harmony for total growth to be realized. Worship together as a family regularly. You can begin each week with a clean slate.

## Historical home tour to take place in Roscommon

"How will we know it's us without our past?" John Steinbeck. The Grapes of Wrath. An opportunity to realize more of our heritage will be offered to the public by the Roscommon Area Historical Society via their Historic Homes Of Roscommon walkable home tour Saturday September 9, from 12 noon to 4 p.m. With four of the homes built around 1880, one in 1907, and the Richardson School in 1914, a glimpse of the past will be evident. Members of the RAHS, who will be guides in the homes, will have histories of the houses and known bits and pieces from the families who earlier occupied the homes. With one of the homes 122 years old and experiencing a restoration, actual four inch two by fours some with their red pine bark still attached, balloon construction, and siding boards as wide as sixteen inches will be visible. Old square nails removed during the restoration work will be given to the earliest tour visitors, while they last. It is hoped a sense of preservation will be gleaned from the visit.

Homes included in the tour are: the Bates Home at 1008 Lake St., (M18), the Blanchard House at 1002 Lake St., the Holland House at 104 S. 5th St., the Johnston Home at 700 George St., the Gallimore Boarding House and the Richardson School, both at 404 Lake St., Homes may be visited in any order. All homes are

within a seven block area, locations will be marked with burgundy and cream balloons. The ticketed brochure provides a map and brief

descriptions. Fall mums designating the entryway at each home, courtesy of Five Oaks Nursery and Landscaping, and floral arrange-

ments courtesy of Village Expressions and Roscommon Floral, will compliment the event.

Pencil sketches of the homes were done by RAHS member Marge Torongo, the Richardson School by Patrick Mattingly Jr., and the Gallimore Boarding House by Kelli Huff, and are included in the ticketed brochure. Refreshments will be served at the Richardson School. Proceeds from the event will be used to continue work on the Richardson School, which is now a museum for local artifacts and history.

Tickets are a \$10 donation and are available at Lake Street Mall, Ye Olde Country Club, Gallimore Boarding House, from RAHS members, or by calling 517-275-5835. The day of the tour, tickets will be sold only at the Gallimore Boarding House. Photography and smoking are prohibited.

## Security company changes hands

Engineered Protection System, Inc. (EPS) has announced the purchase of Northern Security Systems of Houghton Lake. This acquisition strengthens their status as the largest residential and commercial security provider in western and northern Michigan.

EPS, a privately owned company established in 1955, provides burglar and fire alarm systems, closed circuit television and card-access sys-

tems to their customers. All residential and commercial accounts are monitored by the company's UL listed, Factory Mutual-approved central station located in Grand Rapids.

Art Gonzalez, owner of Northern Security Systems, and Doug Lowell, a Northern Security senior technician, will continue to provide sales and service out of the existing Houghton Lake office. EPS's corporate office is located in Grand

Rapids with branches in Holland, Gaylord, Harbor Springs and Traverse City.

Both EPS and Northern Security Systems have a long history of commitment to life safety. According to Kevin Carlson, vice president of EPS, "The combining of resources only increases the expertise and level of service we can provide in the Houghton Lake, Roscommon and Crawford County areas."

## New state police Gaylord post commander named

Michigan State Police Director Col. Michael D. Robinson announced on August 22 the promotion of Lt. Blake Arthur Davis to first lieutenant and commander of the Gaylord Post.

First Lt. Davis replaces Inspector Russell Smith who was recently promoted and transferred to the Seventy District Headquarters in Traverse City. Davis has served as lieutenant at the Gaylord Post prior to his promotion.

In his new role as commander of the Gaylord Post, Davis is responsible for the activities of 24 troopers, seven sergeants, and one assistant post commander. He will also oversee the operation of the Gaylord Regional Dispatch and two Resident Trooper Concepts located in Atlanta and Mio. The Gaylord Regional Dispatch is staffed with 11 state dispatchers and five Otsego County 911

dispatchers. The Gaylord Post provides full police services to Otsego, Montmorency, and Oscoda Counties.

Davis enlisted with the department in 1985 and graduated as a member of the 99th Recruit School. His first assignment was to the South Haven Post. He also served at the Pontiac and Jonesville Posts. In 1990, Davis

was assigned to the Montmorency Team and in 1994, he was promoted to sergeant and assigned to the Gaylord Post.

While serving in Gaylord, Davis was also a member of the Michigan State Police Public Information Officers Team, serving as a public information officer for the Seventh

District. The new Post Commander earned his Bachelor of Arts degree in Criminal Justice from Michigan State University in 1983.

First Lieutenant Davis, a native of Sunfield, and his spouse, Natalie, have two children, Aaron (age 14) and Jared (age 10). The Davis family makes their home in Gaylord.

## Unemployment rate keeps falling in northern Michigan

► Crawford sees  
jobless rate drop  
nearly 1% over  
same time last year

Throughout the month of July, wage and salary employment increased by 800 jobs in the Northern Lower Peninsula. The

largest growth by category appeared to be in retail trade. Private non-professional services had the second highest job growth posted, followed by food and kindred products manufacturing.

Growth was also seen in the federal government as temporary census workers were hired in July. Declines in employment were seen in local education due to summer recess and in manufacturing related to model year changeover layoffs in the automotive industry.

The Northern Lower Peninsula's unemployment rate in July was 4.0%, 0.8 of a percentage point lower than the rate posted for the

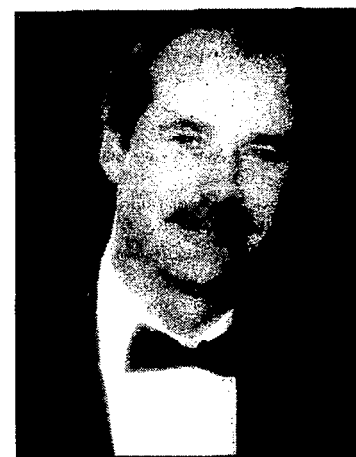

area in June and 0.3% of a percentage point lower than the 4.3% rate for July 1999. Crawford County contributed to this drop with its own 0.9% drop from last year, and a 1.2% drop from June.

Compared to a year ago, wage and salary employment in the Northern Lower Peninsula has grown by 2,600 or 1.3 percentage points. July's unemployment rate compares favorably with both the Michigan rate of 4.2% and the national rate of 4.2%.

The highest unemployment rate for the month of July was found in Iosco County at 7.7% and the lowest was in Leelanau County at 1.5%.

## New Rotary President elected

## Local woman earns CMT credential

Judith A. Sumner, CMT, from Grayling, has earned recognition from the Medical Transcription Certification Commission (MTCC) at the American Association for Medical Transcription (AAMT) by being designated a Certified Medical Transcriptionist (CMT).

The CMT credential is the highest honor of professional achievement available to medical transcriptionists.

Sumner qualified as a CMT by passing a rigorous two-part certification exam. The exam includes a multiple choice portion (Part I) covering medical terminology, anatomy and physiology, disease processes, English language and usage, healthcare record, and professional development.

The practical portion (Part II) covers a variety of medical specialties and medical report types. In order to maintain continuing, each CMT must meet certification medical education requirements over successive three-year periods in the future.

Visit AAMT's web site at [www.aamt.org](http://www.aamt.org).

### Lora Gould

April 7, 1918 - Sept. 2, 2000

Lora Gould, 82, a resident of Grayling, died September 2 at Mercy Manor. She was born in Grand Rapids, Michigan on April 7, 1918. She married Carroll Fred (Bud) Gould on March 29, 1940. The couple had four children: Connie, Sally, William and Rick.

The family lived in Big Rapids until 1950 when they moved to Grayling after purchasing Leitz Cleaners. Mrs. Gould also ran the Secretary of State office (a fee office) until 1970.

Mrs. Gould was a member of St. Mary's Catholic Church, attending her first mass at midnight, Christmas 1952, in the present church. She served as Eucharistic Minister at Church, took communion to the patients in the hospital and Wargo Manor. She was active in C.C.W. and parish activities. She was a member of the ABWA since 1975, the American Legion Auxiliary since 1951, the Grayling Garden Club, and organized the Crawford County Easter Seal Chapter in 1952. She served on the States Society Board of Directors and provided "free" equipment to use to all who were in need.

Mrs. Gould started petunia planting in 1956, covering the complete length of US27 through the City, from sidewalk to curb with help from Kiwanis members who spaded and the Women's Club did the planting. She solicited funds for the flowers, chairing the project from 1956 to 1968.

She was appointed Director of the Grayling Housing Commission by City Manager Harold Cliff on April 1, 1964 to help develop, build and operate the Commission. As a result, three projects were built, including the first Senior Housing

built north of Dearborn and in the smallest city.

Mrs. Gould initiated projects and programs for elderly with earned income and donations long before the Agencies on Aging came into existence. From 1973 to June 10, 1984 she was the Director for the Commission on Aging, which she formed to enable the county to receive state and federal funds to operate the programs. In 1980, she spearheaded the first mileage reimbursement for Senior Citizen programs.

As a volunteer, Mrs. Gould wrote a grant and started the first rural R.S.V.P. in Michigan, and only the third in the state. She chaired the week-long "Old Fashion Bargain Days Celebration" and parades for many years while she was still in the cleaning business, prior to 1965. Mrs. Gould chaired the Clean up, Paint up, Fix up Campaign and the committee won a national award two years in a row, allowing them to travel to Washington, D.C. to receive it from Lady Bird Johnson and making the Grayling Housing Commission eligible for funding.

Mrs. Gould was the past president of St. Mary's Ladies Club and the Grayling Woman's Club, winning prizes for outstanding Woman's Club of Michigan. She served as vice president for Northern Michigan on the NAHRO State Organization for 14 years and hosted three State Housing Conventions in Grayling, first at the Polyhedron, then at Chief Shoppenagon's and finally at the Holiday Inn.

For ten years Mrs. Gould sat on the State Board of Gerontology, organizing and hosting a State Convention at Kirtland Community College. She held a Social Worker license from the State of Michigan in Gerontology.

From 1955 to 1965, Mrs. Gould served as the County Democratic Chairperson, helping to obtain many grants for the Grayling area. She also served as a Teller of the State Democratic Convention and one year as Secretary.

Mrs. Gould ran Secretary of State operations out of the dry cleaners for 16 years. She earned 35 cents for each license plate sold. She also chaired the City Election Board for a number of years through political appointment.

As a volunteer, Mrs. Gould wrote grants to purchase buses and developed the Dial-A-Ride program for

Crawford County. In the beginning, she wanted to develop the program to enable seniors to get around more freely and to maintain their independence. The program has worked out for all ages. She oversaw the program's agreement with the county for one year without salary. Mrs. Gould found joy in seeing all the smiling faces of the Senior Citizens when participating in day, extended, and mystery trips.

Mrs. Gould loved gardening and decorating her home. Since her Housing and Commission on Aging days, she worked five years at the Holiday Inn Gift Shop, sold Mary Kay Cosmetics for 11 years and for the past five years she worked at Grayling Elementary School with third grade students as a Paraprofessional. She loved the little ones, too.

Mrs. Gould is survived by her four children: Connie Gaylor of Grayling; Sally (Ron) Evans of Broken Arrow, Oklahoma; Col William D. (Lynn) Gould stationed at Wright Patterson Air Base, near Dayton, Ohio; and Richard (Denise) Gould, a Grand Rapids attorney who resides in Rockford.

She is also survived by nine grandchildren: Kenneth Vaughan of Grayling; Danny Vaughan of Garland, Texas; Lori McClain of Grayling; Kim Bonham of Tulsa, Oklahoma; Mark Evans of Broken Arrow, Oklahoma; Brett and Blair Gould of Dayton, Ohio; Zachary and Sarah Gould of Rockford. Three great-granddaughters also survive: Ashley McClain of Grayling; Danielle Vaughan of Oklahoma; Hannah Evans of Tulsa, Oklahoma.

Mrs. Gould is also survived by her sister Eleanor Baumunk and brother Lawrence Baumunk, both of Big Rapids; step-sister Lula Spehn of Greenville; a half-brother, Harold Kieft of Michigan City, Indiana; and many nieces and nephews.

Visitation was held on Tuesday, September 5, from 2 p.m. to 4 p.m. and 6 p.m. to 8 p.m. Funeral mass will be held at St. Mary's Catholic Church in Grayling on Wednesday, September 6 at 11 a.m., Reverend Robert Nalley officiating. Interment will be in Elmwood Cemetery in Grayling. The family suggests memorial contributions be sent to St. Mary's Catholic Church Piano Fund. Funeral arrangements by Sorenson Funeral Home, Inc. McEvers Chapel.

## New season begins for garden club

Beyond the Garden Wall -- Grayling's Federated Garden Club -- begins a new season September 7 at 7 p.m. at Michelson Memorial United Methodist Church. New and established gardeners are welcome.

Officers from the previous season continue: Cathy Frey, President; Lenore Beckett, Vice President; Gerry Toman, Treasurer; and Thelma Holland, Secretary.

The club presents instructional guidance by professionals and shared information among members, helpful to gardeners in this area.

During the previous year, the club sponsored a visit to Meijer Gardens, also to a local nursery. Members monitored past community projects

and presented to the public Garden Walk featuring five unique local gardens.

During the AuSable River Festival weekend, members shared perennial plants at a downtown location and participated with a float for the parade. Summer garden flowers, donated by members, became centerpieces for the Library Benefit Dinner and Silent Auction.

Program Chairpersons Nancy Hunt and Kathy Prause will present Barb Bishoff at the September meeting. Bishoff will speak on the subject of Fall Plantings.

For more information about the Beyond the Garden Wall garden club, call Thelma Holland at 344-2043.

We present Patricia A. Duley, M.D. as our Honor Alumna for 2000. She will be our guest at the Annual GHS Alumni Homecoming Dinner, September 16 at the Grayling Holiday Inn.

Dr. Duley was born in Grayling and graduated here in 1978. In 1977, she was selected to represent the American Legion Auxiliary at Girls' State, based on leadership, enthusiasm, responsibility, and ability to work with others. She received the R.O. Milnes Award from us in 1978 for the same qualities and graduated Valedictorian of her class, receiving her diploma from her father, James Duley.

Her college education included: study at MSU from 1978-1982, receiving a Bachelor of Science degree in Physiology; Wayne State University School of Medicine, 1982-1986; Residency Program Internal Medicine at St. John Hospital and Medical Center in Detroit, 1986-1989.

Dr. Duley married Dr. David Gast, M.D. in 1989. The couple has two children, Betsy and Nelson. They

**Patricia A. Duley, M.D.**

chose to come north to Gaylord where they have private practices in the Hazel Shipp Building.

We recognize what "Trish" has accomplished. We remember Jim Duley who served a number of years on our School Board, lastly as President. Dr. Duley's mother, Rose Bishaw Gleason, is a member of the Class of 1947.

Dr. Duley is truly a product of Grayling High School and we are privileged to recognize her accomplishments.

## LOVE.

All it was meant to be.

What is love, really? Is it romance...or being with people you like? Is it giving and receiving nice things? Is it about hard work, or sacrifice, or putting the needs of others first? Well, love can be about all those things. But there is one perfect love, God's love...and it can strengthen all others.

We're your neighbors, the people of the Lutheran Church-Missouri Synod. And we want you to know that, with Jesus Christ, love really can be all it was meant to be.

## Varsity Vikings fall to Bobcats

► Varsity football team shut out by Houghton Lake in rescheduled match

by Caleb Casey  
Staff Writer

The GHS varsity football team fell to the visiting Houghton Lake Bobcats on Saturday, September 2, by a final score of 24-0. The game, which was postponed one day due to stormy weather on Friday night, was played at 10 a.m. Saturday morning.

The game was close at halftime, with HL leading by a field goal (3-0), but a solid Bobcat running game wore down the GHS defense and started to capitalize on Grayling's lack of offense in the second half.

The Vikings held the Bobcats on their opening drive. After the HL punt, Grayling took over at the Viking 37-yard line. Three runs by Juell Joseph and an offside penalty on HL brought Grayling into Bobcat territory with a 1st and 10, but Houghton Lake's defense held the Vikes for the next three downs and GHS had to punt.

Nate Haskel, with good punt coverage on special teams, tackled the HL punt-returner at the Bobcat 8-yard line.

Run defense by Travis LaMotte and Marvin Forbes (on 1st and 10) and Dave Golinick and Victor CdeBaca (on 3rd and 2) forced a 4th and 1 at the HL 16, and the Bobcats had to punt from deep in their own zone.

The Vikings started with decent field position at their own 43. GHS

► GHS 9th grade football team wins second straight with 26-0 victory at HL

The GHS freshmen football team won its second straight game of the season last Thursday, with a 26-0 shut-out of the Houghton Lake Bobcats at HL. The team is now 2-0.

"Overall, the team played great," said Coach Joe Ferrigan. "Defensively we played well, we held them scoreless."

Coach Ferrigan and Coach Ron

Wyman both noted that the freshmen team players put forth a great effort on a really hot day (86 degrees at game time), and that everyone on the team got to play.

"The guys played tough on both sides of the ball," said Coach Wyman. "We had excellent blocking, and our running backs ran really well."

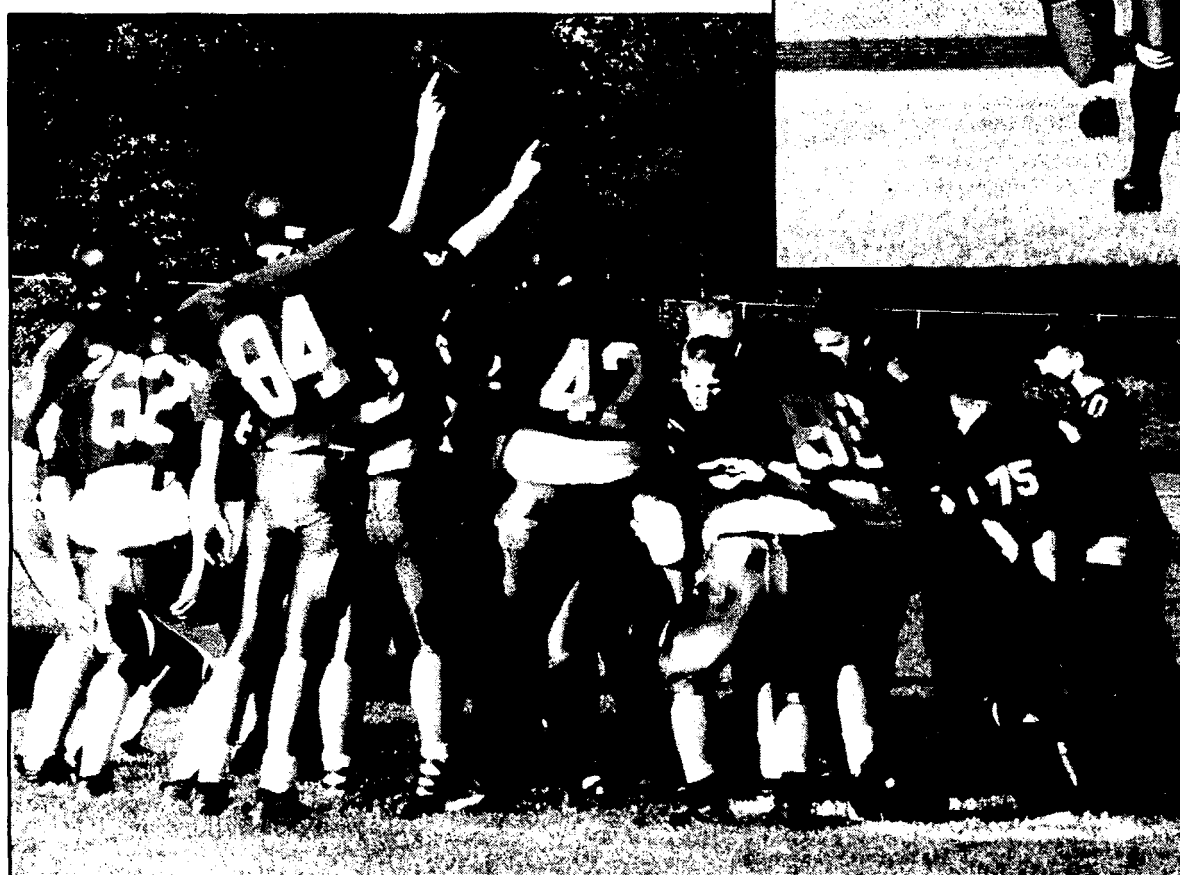

The team will play at Standish Sterling on Thursday, September 7. On September 14, the team will travel to Bay City.

"We're off to a really good start," said Coach Wyman, "but the best thing is that we can still improve on a lot of things."

Grayling's varsity girls basketball team won its home opener last Thursday, defeating the Roscommon Bucks 50-39 in a non-conference match-up.

The Vikings maintained a single-digit lead for most of the contest, and the Bucks stayed in the game until the fourth quarter, when the Vikes started to pull away.

GHS scored the first points of the game on a free throw by Kristy Hulbert and a put-back by Gina Thompson. A jump shot by Lori Hinkle and a bucket by Hulbert rounded out the first quarter scoring for Grayling. Roscommon led 10-7 after one period.

The Viking offense came alive in the second quarter, as Grayling hit for 20 points to Roscommon's eight.

Hulbert opened the period with a three-pointer to tie the game at 10-10. Michelle Elsner scored a lay-up on a feed from Thompson, and Danielle Niederer hit a jumper to put GHS up 14-10.

Niederer went on to hit three triples before halftime. Grayling also scored second quarter points on a lay-up by Jamie Dent (on an in-bounds pass from Emily Fox) and a shot inside by Elsner.

Grayling led 27-18 at halftime.

The Vikings were whistled for 12 fouls in the first half, but Roscommon did not capitalize on

► Junior varsity Vikings defeat Gaylord and Rosco to start out 2-0

by Caleb Casey  
Staff Writer

After defeating the Gaylord Blue Devils at Gaylord to open the 2000 season, the Grayling High School JV girls basketball team outscored Roscommon 37-33 in a hard-fought battle last Thursday in Grayling to finish week #1 at 2-0.

The Bucks and Vikings set the tone for the low-scoring game early, playing a defense-heavy, physical match with players from both squads hustling for loose balls and fighting hard down low for rebounds.

Only 11 points were scored in the first eight minutes, with Roscommon taking a 6-5 edge into the second quarter. The Vikings scored points on a short jumper by Tracy Parkinson, a shot inside by Britni Baker (on an assist by Kim Mitchell), and a free throw by Baker.

GHS scored 12 points to Rosco's 10 in the second period to take a

## Girls tennis team opens 2000 season

► Vikings fall to Alpena, Bay City John Glenn in home meets

The GHS girls tennis team opened its 2000 season last week with home meets against Alpena and Bay City John Glenn. Grayling lost both meets.

Against Alpena in the team's season opener, the Vikings were defeated in each of the seven events by scores of 6-0, 6-0.

Grayling players/events included: #1 singles - Stacy Kuhn; #2 singles - Kim Ruley; #3 singles - Jenna Bugyi; #4 singles - Jamie Zelek; #1 doubles - Kirkie Meyer, Nicole Larm; #2 doubles - Penny Rosin, Bitsy Hellebuyck; #3 doubles - Laura Strohkirch, Megan Madill.

"I think everyone was nervous for the first match," said Coach Marcie Slater. "A lot of the beginning players on the team are getting better, and the players that played last year are hitting the ball well."

Last Wednesday, Bay City won each singles event from GHS 6-0. 6-0. Grayling's singles line-up was the same as in Monday's meet against Alpena.

In doubles action, Larm and Hellebuyck (at #1 doubles) fell 0-6, 1-6; Meyer and Rosin at #2 lost 3-6, 3-6; and the #3 pairing of Strohkirch and Madill lost 0-6, 3-6.

"The team seems to be improving," said Coach Slater. "They have a good attitude, and they work hard. They have a lot of talent and they seem to be getting better fast."

The tennis team will host Traverse City St. Francis on Monday, September 11, at 4 p.m.

one-point lead at halftime, 17-16. Grayling got points from a basket by Lori Ellis, a jumper by Kate Nickert, two free throws by Parkinson, a shot inside by Ashley Bancroft, a short jump shot by Danielle Beckwith, and a bucket by Mitchell on a nice pass by Beckwith.

The Vikings opened the second half with a basket inside by Beckwith on a dish from Mitchell.

Roscommon scored two buckets to take a 20-19 lead. After nearly four minutes of scoreless play, Mitchell hit a three-pointer at the 3:33 mark to put GHS up by two, 22-20.

Roscommon hit a free throw and a two-point basket to re-take the lead. A free throw by Ellis with 44

seconds left in the quarter tied the match at 23-23. Grayling scored one more point in the third period on a free throw by Jessica Green to take a 24-23 lead into the fourth quarter.

RHS hit the first basket of the fourth to take a one-point lead, then Mitchell answered with a triple to give the lead right back to Grayling. Rosco hit three of five from the free throw line in three trips to go up 28-27. The Vikes went 0 for 4 at the line in two trips, and Roscommon scored a basket to take a three-point lead (30-27) with about five minutes left in the game.

Green hit two free throws in two trips to the stripe to pull GHS within one point. The Bucks scored a bucket to go back up by three. Another free throw by Green cut the RHS lead to two. With 2:25 left in

the game, Parkinson scored inside on a nice pass by Bancroft to tie the game at 32-32.

At the 1:48 mark, Roscommon hit one of two free throws to lead by one point.

With 1:26 remaining, Mitchell hit another big three-pointer, giving GHS a 35-33 lead.

Roscommon couldn't get a shot to fall, and Grayling pulled down the rebound. With 41 seconds left on the clock, Green scored a basket in the paint on a pass from Bancroft to give GHS a four-point edge, 37-33.

Roscommon missed at the other end and rebounded. Bancroft latched onto the ball to force a tie-up. The Vikings had the possession arrow pointing their way and got the ball.

With time running low, the Bucks

rebounded a GHS miss but lost the ball out of bounds. Grayling ran the last few seconds off the clock to preserve the win, 37-33.

Eight Viking players scored points in the match. Mitchell led with 11 points. Parkinson and Green each scored six.

The JV team opened the 2000 season with a 46-29 win against the Gaylord Blue Devils last Tuesday.

Parkinson was the leading scorer for Grayling with 14 points. Ellis added 10 points. Green had seven rebounds and four assists.

"A good opener," said Coach Kristi Euler. "The team played well together. I'm looking forward to a good season."

The JV Vikings will play at Kalkaska on Thursday, September 7, at 6 p.m.

the resulting free throw shots, hitting just 2 of 16 from the stripe in the first two quarters.

Grayling's offense came out cold

after halftime, and didn't score a point for the first four minutes of the third period. The Viking defense held Roscommon to just four points in the first half of the third quarter to maintain a slight edge, 27-22.

GHS started to heat up toward the end of the period, scoring points on a lay-up and a shot inside by Fox and a jumper by Thompson.

Grayling led by five (34-29) heading into the fourth quarter.

The Vikings opened the fourth period with a jumper by Elsner. At the 6:20 mark, RHS pulled back with five with a two-point bucket. Hulbert hit one of two free throws to put GHS up six, 37-31.

With 5:21 remaining, Niederer hit her fourth triple of the night to give Grayling a 40-31 lead. Rosco hit a basket, then Thompson scored two of two at the free throw line to keep the GHS lead at nine.

Roscommon scored two buckets to pull within five. Two free throws by Hinkle and a shot inside the paint by Dent put Grayling back up by nine, 46-37. Hulbert and Hinkle each hit two free throws down the stretch to help GHS keep its edge. The Vikings won by a final score of 50-39.

"The girls played hard," said Coach Tom Mills. "but foul trouble hurt us. Danielle made some big 3's. It was a good win, one we needed to build momentum. We need to rebound better."

Niederer was the leading scorer for GHS with 14 points. Hulbert added 10 points.

The Vikings shot 11 of 25 from the free throw line in the game; RHS hit just 3 of 22 at the stripe.

On Tuesday, August 29, the Vikings fell to Gaylord in the Grayling team's season opener 46-

43.

The Blue Devils held Grayling to four points in the second period, while scoring 15, to take a 22-11 lead at halftime. Both teams scored 14 points in the third period. The Vikings fought back in the fourth, outscoring Gaylord 18-10 in the quarter, but the comeback came up short.

"We had a bad second quarter, but the girls played with great intensity in the third and fourth quarters," said Coach Mills.

Fox was the Grayling high scorer with 10 points. Hinkle added nine, and Thompson and Dent each scored seven points. Hulbert had seven assists.

On Thursday, September 7, the Vikings will play at Kalkaska. On September 12, GHS will travel to West Branch. The Vikings will play Gladwin at home on September 14.

## Freshmen girls open with 2 losses

► Vikings fall to Blue Devils, Bobcats in week #1 of 2000 basketball season

Grayling's freshmen girls basketball team opened its 2000 season with a 31-22 loss to Gaylord last Monday and a four-point loss to Houghton Lake on Wednesday.

In the team's season opener, held in Grayling on Monday night, the Vikings lost a tough contest 31-22. Two of Grayling's starters fouled out of the game early in the fourth quarter without scoring a point in the match. Ashley Hawley and Megan Fekete filled in, combining for 15 rebounds and six points.

Skylynn Palmer scored eight points in the game to lead the Vikings. Briea Frisbee added six

points.

On Wednesday, GHS lost a close contest to the Houghton Lake Bobcats at HL by a final score of 26-22.

Scoring and rebounding leaders for GHS were: Frisbee, 6 rebounds, 5 steals, 5 points; Laura Gorski, 7 rebounds, 3 steals, 4 points; Hawley, 8 rebounds; Palmer, 4 points.

"I'm looking forward to the lady Vikings becoming a very talented team," said Coach Bob Gorski. "This year, 12 girls form the nucleus of a bright future to Viking basketball."

"This season is a learning year of fundamentals and basketball skills," said Gorski. "Such terms as 'baseline,' 'key,' 'elbow,' 'wing,' 'trap,' 'double down,' and 'motion' are terms that each girl will need to know. This is basketball terminology that will be part of their lives for the next four years."

On Thursday, September 7, the Vikings will host Lake City at 6 p.m. On Monday, September 11, the team will host West Branch Ogemaw Heights at 6:15 p.m.

moved the ball steadily with runs by Joseph, Mike D'Amour and Haskel. Grayling got to the edge of the red-zone (20-yard line) but HL stopped Grayling runs for short gains on 2nd and 11 and 3rd and 11 to bring up 4th and 8. HL took over on downs after a Viking pass play failed to convert on 4th down.

With a drive consisting of 10 runs and one pass play, the Bobcats moved the ball from their own 20 to the Viking 5 for a 1st and goal chance.

A holding call on HL moved the Bobcats back 10 yards. An incomplete pass brought up 2nd and goal. HL completed a short pass, but a QB sack by Forbes and Chris McGuire on 3rd and goal forced a 4th and goal situation.

The Bobcats kicked a field goal to go up 3-0.

After the HL kick-off, GHS took over at the Viking 33-yard line. A 34-yard pass play from QB Levi Burkett to Ryan Mahaffy moved Grayling to the HL 33.

A run by D'Amour and two rushes by Joseph brought up 4th and 1. Burkett kept the ball, and got the yard. On 3rd and 10, the Vikings were whistled for an offensive pass interference call, bringing up 4th and 25 at the 48. Grayling had to punt.

The Bobcats, starting at their own 21-yard line with just over one minute left in the half, quickly moved into Grayling territory with a big run and a pass play.

Grayling then held the 1st and 10 run play to a short gain, and forced an incomplete pass on 2nd and 9. On 3rd and 9, Forbes and Haskel caused another incomplete pass with massive pressure on the HL quarterback. A sack on 4th down by Joseph, Keil Clough, and Jason Arwood got Grayling the ball back on downs, but with only 28 seconds remaining in the first half.

The score would stay at 3-0, Houghton Lake's lead, at the half.

The Vikings got the ball first in the second half, but went three-and-out.

Houghton Lake's running game started to break through the GHS defense, and six plays later HL scored the first touchdown of the game. The Bobcats added the extra point kick to go up 10-0.

The Vikings again went three-and-out on their chance with the ball. Houghton Lake ran a fake

reverse on the punt return, and ran the ball all the way to the Grayling 2-yard line. HL needed just one running play to put the ball into the endzone. With the point-after, Houghton Lake led 17-0.

The Vikings threw an interception on 2nd and 7 during their next drive, the team's first turnover of the game.

Grayling's defense stepped up, holding HL to three-and-out after a Bobcat holding penalty moved Houghton Lake back 10 yards on

1st down.

The Vikings moved into Houghton Lake territory on the resulting possession, but were forced to punt again. Grayling held Houghton Lake, and the Bobcats punted, then HL held Grayling on three straight pass attempts to force another GHS punt.

D'Amour picked off a Houghton Lake pass on 3rd and 12 to get GHS the ball back with decent field position. Two runs by Joseph moved GHS into HL's side of the field. Pass

plays on 3rd and 12 and 4th and 12 failed to convert, and the Vikings relinquished the ball on downs.

HL moved into Grayling's half of the field with a big run, then scored a TD on a pass play on 3rd and 9. Following the point-after kick, HL led 24-0 with 2:42 left in the game.

Grayling had one more chance with the ball, but failed to get on the board. HL won 24-0.

The team's next game will be against Standish in Grayling on Friday, September 8, at 7:30 p.m.

## JV football team loses to Houghton Lake

(Left) Junior varsity quarterback Chris Wakeley (#11) hands off to running back Jesse Gildner. The JV squad had a tough game last week, falling to the Houghton Lake Bobcats at HL by a final score of 40-6. Gildner was the leading rusher for Grayling in the contest with 82 yards. Brett Mead ran for 52 yards. On defense, Roy Middleton and Chris Johns were the Grayling team's leading tacklers. The JV squad will travel to Standish Sterling Central for a conference game against the Panthers on Thursday, September 7. On September 14, the Vikes will head to Bay City.

Greer shot a 39 to lead the Vikings, taking first place and a medal. Collin took second place with a 41. Wheeler took third at 42, Roman finished fourth with a 44, and Manier ended the day in sixth place at 47.

"Bryan played for Gladwin last year, as a sophomore. Until today, he had not broken 40 on this long back nine," said Coach Olson. "He tore it up with six pars and three bogies."

"Equally impressive was Bob officially ending his slump and shooting his career best competitive round," Olson said. "You can't win all the conference matches if you don't win the first two!"

"September 7 will be the real test

against Tawas at home," said Olson, "but these Grayling guys are good."

According to Coach Olson, "Tawas will not go home with our win if: Chet remembers that a couple poor shots can be made up by a couple great shots, Brian can tolerate Justin's antics again, Kyle real-

izes that his 'B' game is fantastic, Justin keeps his driver in the bag, and Bob realizes that the slump is over."

On Monday, September 11, the Vikings will compete in the McBain Invitational. On September 12, the team will travel to Pinconning.

# JV Redskins win season opener 26-12

## ► Reagan Schmidt racks up 3 TDs, 218 all-purpose yards in Redskins victory

The Grayling Redskins JV team (7th graders) defeated Gladwin at Ogemaw on Sunday, September 3, by a final score of 26-12.

The game began with the Redskins receiving the opening kick-off, setting up the offense. After two plays up the middle, the linemen stayed with their assignments and cleared the way for a Reagan Schmidt 53-yard romp to the goal line.

After the Grayling kick-off, Gladwin moved the ball to the Grayling 23-yard line, but Josh Mastey intercepted a Gladwin pass to stop the advance.

A tough Gladwin defense held the Redskins to a single series of downs and took over possession of the ball at the Grayling 5-yard line following a failed punt attempt by the Redskins.

Grayling's defense dug in and pushed Gladwin back to the 15, where Joel Wilson recovered a fumble.

Two plays later, Zac Baker completed a pass to Schmidt, which ended in an 81-yard foot race to the goal line and Grayling's second score.

The second quarter was a seesaw battle. The Redskins' second possession of the quarter fired off on the first play with another 72-yard Schmidt race to the goal line for Grayling's third score.

The third quarter was scoreless, but led to an exciting fourth period.

Robert Starks ran the ball 28-yards on a quarters back keep for the final Redskins score. Again, the defenses held strong and the ball passed hands several times. Gladwin finally broke free and scored late in the quarter.

Gladwin recovered an on-side kick and drove the ball into the end-zone on the final play of the game.

Grayling's offense advanced the ball a total of 252 yards. Schmidt was responsible for 218 yards. Defensively, Starks and Andrew Woolsey led the Redskins with 12 tackles each.

Coach Joe Ferrigan said he was pleased with the performance of the team. He said the players did very well coming together and forming a single unit from the two freshmen teams and the introduction of new players.

Overall, 22 of the team's 33 roster players were entered into the statistics for carrying the ball or making or assisting on a tackle.

The team plays at home this weekend.

# Redskins F2 squad opens with 8-6 win

## ► 2nd quarter safety ends up being the difference in low-scoring contest

The Grayling Redskins freshmen 2 team (5th and 6th graders) opened the 2000 season with a win over Gaylord at Gaylord this past Saturday in a low-scoring match. The Redskins won 8-6.

"A complete team effort," said Coach Jeff Parkinson. "We ran the ball well on offense. We were slow getting started, but adjusted well to their defense and had some big gains."

Jeff Bancroft rushed for 64 yards in the Grayling win, and Nick Parkinson ran for 40 yards. Gary Spicer racked up 33 yards on the ground, and rushed for one touchdown. Spencer Derenzy had three receptions for 15 yards.

The touchdown by Spicer and a safety in the second quarter were enough to win it for the Redskins, as Grayling held Gaylord to six points.

"On defense it was a team effort," said Coach Parkinson. "They had three fumble recoveries, and the defense held them when they needed it the most. Brian Mastey had the big hit of the game."

The team plays at home this weekend.

The freshmen 2 Grayling Redskins line up for a play during the program's annual half-field scrimmage event.

## FISHING REPORT

**LAKES:** Walleye fishing is still very good on Lake Margrethe, especially at night. Try trolling with rapalas or drifting with crawlers or walleye divers.

Anglers are starting to get a few perch on Margrethe, but perch fishing probably won't peak for a couple weeks.

Some blue gill have been caught on the high edges of the weed banks, where the weeds come up to about a

foot from the surface. Try wax worms and tear drops.

Fishermen have been catching some good-sized blue gill on a few of the smaller lakes in the area, and Higgins Lake has been decent for perch fishing.

September is usually one of the best months of the year for fishing, so expect some good conditions.

## HOROSCOPES

For The Week Of September 10-16

**Aries**  
March 21-April 20  
Quit while you are ahead. Trying to get back money may be a lost cause. Save time and frustration. Promise yourself to use better judgement in the future. Be willing to bend.

**Taurus**  
April 21-May 21  
A wake-up call may be what this relationship needs. Demanding an immediate answer may not be the best way to handle a family crisis. If you respect what you do, others may join you.

**Gemini**  
May 22-June 21  
Harebrained, half-thought-out schemes could be your undoing professionally. Attention to detail may prevent delays and errors. Sorting personal papers helps you relax and put things in context.

**Cancer**  
June 22-July 22  
Without balance, you may sail off course. If you lift your thoughts, you should be able to raise your earning power. A favorite book could reveal facts you require before making a major decision.

**Leo**  
July 23-August 23  
Become a people expert. Watch. Listen. Manage different people differently. If you discover what makes people tick, it could make your workplace more efficient.

**Virgo**  
August 24-September 22  
Limit your goals and objectives today. Planning ahead is essential, but you thrive on short term-goals that may be easily attained. Exercise could help reduce anxiety, but you may opt for washing away the gray.

**Libra**  
September 23-October 23  
After a summer of sandcastles, you may want to explore the castles abroad. If it's out of your price range to travel to Europe, consider transforming your home into a castle. Think velvet.

**Scorpio**  
October 24-November 22  
Teamwork may be a foreign concept to you, but it's time to jump in and get your feet wet. Others will support you. If handled in the right way, change can be a positive rather than a negative.

**Sagittarius**  
November 23-December 21  
All of life is a risk, a risk to be enjoyed! While you tend to be short on patience, the ability to wait your turn could be generously rewarded. Avoid being indifferent in social situations.

**Capricorn**  
December 22-January 20  
You may just find a captive audience for your ideas and dreams. A journey helps prepare you for life lessons. A fresh look at a classic novel sheds light on your romantic life.

**Aquarius**  
January 21-February 18  
Remain rational and cool if a showdown with your boss materializes. Your individuality makes you stand out in a crowd but could cause problems with a partner. Compromising your standards may be difficult.

**Pisces**  
February 19-March 20  
A concert helps renew your love of music. Learn to delegate tasks at work. You do not need the additional stress this week. Be shrewd. Someone may try to take advantage of you.

Mrs. Mary Vallad and family had a strenuous time for three days last week in saving her home from destruction by forest fires.

Last Thursday morning the mercury registered at 29 degrees and considerable damage was done throughout the county, but much was saved by a heavy fog which gave about as much precipitation as that of a good shower.

The High School wishes to thank the Board of Education for wiring the building this summer. All we now ask is to be hitched on to the dynamo.
